

# Doing This By September 30 Could Save a Life...

Complete a short emergency-response scenario **by September 30**, to understand the emergency-activation process that could save your life or a colleague's.

Go to [myHR.hersheys.com](http://myHR.hersheys.com) > Alerts >  
"Complete Emergency Scenario by 9/30/13."

June's scenario-completion rate was only 6%. You can help Health Services raise that rate.
